

Sourcing in India – Breakfast Meeting

Mr. Krister Jakobsson
Husqvarna AB

9th March, 2009
Venue: Svensk Handel,
Regeringsgatan 60
Stockholm
Time: 08.00 – 10.00

Sourcing has become a major opportunity in order to deliver products and services faster and cheaper worldwide. India is becoming a major sourcing point and companies are gearing up their local sourcing abilities to keep up with their markets.

Krister Jakobsson is Vice President of Purchasing globally for Handheld and Construction products as well as Wheeled products outside North America for Husqvarna AB. Krister has also full responsibility for the sourcing activities in Asia including India. He joined Electrolux in 1988, 1996 Husqvarna which belonged to Electrolux previous was listed in the Swedish stock market .

We encourage you to come early and network with industry and market colleagues.
